

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION OF OPERATOR SERVICE AS	)	
PROPOSED BY US SPRINT COMMUNICATIONS	)	CASE NO. 10326
COMPANY	)	

O R D E R

On September 27, 1988, American Operator Services, Inc. ("AOS"), filed a motion requesting an Order granting it full intervention in the above-styled case. As grounds for its motion, AOS stated that as an alternate operator services company, AOS has a special interest in the resolution of the issues presented by this case. AOS states further that in the absence of full intervention AOS will not have a meaningful opportunity to advise the Commission of its position with respect to the issues and that the interests of AOS are not now adequately represented.

As we indicated in our Order of July 29, 1988, the primary issue in this matter relates to validation. Given the narrow scope of this proceeding, the Commission is of the opinion that participation by AOS in this case will not unduly complicate or disrupt the proceedings.

Wherefore, having considered the motion of AOS and being advised, the Commission hereby ORDERS that the motion of AOS be and it hereby is granted.

Done at Frankfort, Kentucky this 5th day of October, 1988.
